Read: From the Collector of Bellary Rc.No.279/45-N2 dated 16-12-45.

****

A copy of the letter cited above received from the ~~kk~~ Collector of Bellary is submitted to Government.

2) The Collector of Bellary requests the employment of an additional staff of two section writers on a fixed pay of Rs.12/- per mensem each plus dearness allowance admissible to their grade, for a period of two months in the Taluk Office, Hospet for writing up permits to be issued to the land-holders residing in Hospet rationed area for importing the rationed articles grown on their lands situated in non-rationed areas. The Board considers that the additional staff applied by the Collector is necessary and requests that it may be sanctioned.

3) The action of the Collector Bellary in having appoint the staff in anticipation of sanction may be approved.

4) The expenditure may be debited to 64B. Civil Defence Section IV - Expenditure borne wholly by the Provincial Government C.Miscellaneous - A.Establishment for price control ~~x~~ - 1.Board of Revenue.

Copy of the letter No.279/45-N.2 dated 16-12-45 to the Secretary to the Commissioner of Civil Supplies, Chepauk, Madras, from the Collector Bellary.

Sub: Civil Supplies - Rationing - Hospet rationed area - issue of permits for importing rationed articles by the land holders special staff - entertainment - sanction - requested.

Read: Ref.No.7191/45 dated 26-11-45 from the Revenue Divisional Officer Hospet.

The number of applications received from land holders residing in Hospet rationed area for importing the rationed articles grown on their lands situated in non-rationed areas (vide Regulations 60 to 64 of the regulations issued under the Madras Rationing 1943) last year were 7000. The Tahsildar, Hospet had to get through the work of issuing permits to all these applicants by making all the clerks in his office to do this suspending their legitimate work. This dislocated the work in the office considerably. In G.O.No.Ms. 3735 Dev.Department dated 26-9-45, Government have ordered that when a permit has been issued to a land holder under regulation 63 a subsequent application from the same land holder need not be sent to the Tahsildar by the Rationing Officer and that the Rationing Officer should himself issue the permit provided the land holder makes a declaration that the lands specified in the first application continue to be in his possession and enjoyment and that the rationed article intended to be imported was grown on his lands. This amendment appears to have been made with a view to reduce the volume of work in taluk offices and also to save delay in the issue of permits by Rationing Officers. But this amendment does not reduce the work in the taluk offices of this district because of the crop rotation practised in this district. The amendment will not apply unless a land holder raises the same crop in a field year after year. The amendment will be applicable only if paddy is grown this year again in a land grown with paddy last year and permitted last year. But in this district in the whole of the Tungabhadra valley wet irrigation a system of rotation of crops is observed by which a land grown with paddy one year is grown with sugarcane the next year and so on. So this year the permits to be issued will be for a different set of lands from last year and so the amendment does not help. About 7000 applications are expected to be received this year also and unless a special staff consisting of 2 section writers on a fixed pay of Rs.12/- plus dearness allowance is sanctioned, the work is bound to suffer and get prolonged and will lead to complaints from the ryots. I therefore request that the Board will be pleased to sanction the employment of two Section writers as mentioned above for a period of 2 months from the date of entertainment to write up the permits.

2. I am xx employing the two section writers in anticipation of sanction in view of the urgency as the harvest of paddy has commenced. I request that my action may be approved.

R.D.Paul,
Collector of Bellary.
